His Excellency Dr DAVID KEANU SAI  
Chairman of the Council of Regency  
of the Hawaiian Kingdom

Your Excellency,

It was with profound sorrow that I learned of the terrible wildfires wreaking havoc on the island of Maui, bringing grief and loss to so many.

On behalf of myself and the Kaharagian people, I send you my deepfelt condolences and ask you to convey my condolences and my sympathy to those afflicted by this disaster. Please know the Hawaiian people remain in my thoughts and prayers.
